

WHEREAS, the Town of Orange wishes to establish Health Officer. and

WHEREAS, the Town Board is compelled by law to appoint a Health Officer, and

WHEREAS, The purpose of appointing a health officer is to ensure that every municipality has a single official who understands state health laws and who is ready to investigate and remedy public health threats. In addition, State law requires that each municipality support a health officer in their job duties, job safety, and training to protect public health. The state health department and other entities also have a role to support local health officers.

THEREFORE, RESOLVED THAT THE TOWN OF ORANGE does hereby appoint Dr. Benjamin Saks as the Health Officer for the Town.
